FOR IMMEDIATE RELEASE: May 14, 2020

**CHINA CREEK CAMPGROUND TO HAVE LIMITED GUEST OPENING
EFFECTIVE JUNE 1, 2020**

Due to COVID-19 restrictions China Creek Campground and Marina has not yet been open for the 2020 season.

In accordance with the regulations and guidance of Public Health Officers China Creek Campground will open to guests with fully self-contained recreational vehicle camping units on June 1, 2020.

The China Creek Marina boat launch and beach access are available only to guests with a confirmed qualifying camping unit and advanced reservations.

Unfortunately, we cannot accommodate any guests at this time who do not have fully self-contained units. These include such things as tents or other mobile campers that do not have in-unit sanitary services at this time. Additionally, no day-use visitors are permitted on site until further notice.

The on-site washroom facilities, showers, laundry, playground, cookhouse will remain closed.

The China Creek Campground & Marina office is also closed to the public. For all reservations and inquires please call 250-723-9812 or email chinacreek@alberniport.com

The China Creek Marina Gas Dock will be open with limited hours and physical distancing measures for staff and guests.

In order to provide this limited opening we must respect guidelines and protocols recommended by Public Health Officers. In order to keep each other safe we are further implementing the following practices:

- Respect Physical Distancing when interacting with other staff and guests by maintaining 2 metres / 6 feet apart from each other
- Gatherings of no more than 5 people
- We have increased our protocols for cleaning and sanitizing hard surfaces

We will continue to follow guidelines issued by Public Health Officers and ask our visitors do the same also. Only by all of us doing our part to follow such guidelines will we be able maintain this and, hopefully, expand the opening of China Creek Campground & Marina soon.
