

China Creek Pet Agreement

To ensure that all guests, including your humans, enjoy themselves at China Creek Campground and Marina, please review these best practices with your human! The China Creek Dog Park has been created for you to run and play with other pets in a safe place.

1. I LOVE China Creek Campground and look forward to visiting every year, so my human will stay attached to me by always holding my leash, even on the beach. This is to be sure that neither I or my human doesn't get lost, frighten people, other pets or chase wildlife
2. I noticed there are "Doggy Doo" stations located throughout the park; if I need to do my doggy doo doo, I will have my human clean up after me right away and dispose of it in the nearest garbage can
3. I LOVE boat rides, but the docks are narrow and often have other humans and pets on them. So, I will make sure my human is attached to me by the other end of my leash when going to and from the boat. Of course, my human needs to be with me at all times on the docks, too (they can get so distracted by other humans and fish!)
4. I LOVE to go camping and get tired with all the fun activities at China Creek Campground. I know other dogs and humans do, too! So, I will make sure that I don't bark excessively or disturb other pets or people who also love to go camping.
5. Sometimes my human gets scared and lonely when left alone. Sometimes I do, too. So, I will be sure that my human won't ever leave me alone.

Share & Tag Your Photos with #mychinacreek For a Chance to Win!

Take a photo while you're at China Creek Campground & Marina, post it on Facebook or Instagram, and you could win a prize! We will be awarding monthly prizes—one for each month from April 1 to Oct 31, 2024. By submitting your photo using #mychinacreek you give China Creek the right to use your photos on social media and other promotional materials. Photos will be credited to you.
