Parking

- All vehicles and trailers must be registered at the office and display valid parking permits
- Additional vehicles and/or trailers must be parked in parking lot and are subject to parking fees
- Vehicles not displaying permit(s), parked outside of designated parking areas or in accessible parking spots without a displayed sign will be towed at the owner's expense.

Fueling

- Day to day storage of fuel in transportable containers is not permitted within the campground or marina.

Pets

- All pet owners must sign our China Creek Campground Pet Pledge
- Use of the Dog Park is at the owner's risk.
- Dogs must always be on a leash and under the care and control of a competent individual, including at the beach.
- Dogs are not allowed on the marina floats other than to or from your boat
- Please use "Doggie Doo" stations and clean up after your pets immediately
- Pets are not to be left unattended at sites
- No aggressive dogs allowed. Dogs will have to leave if displaying aggressive behavior or excessive barking

Campfires

- Due to strong winds at China Creek Campground & Marina fires are permitted in the shelter or designated fire pits only.
- Please adhere to Fire Smart practices posted at the shelter. Propane Fire Pits are encouraged as a safer alternative to open fires. During a fire ban, the Propane Fire Pits will be the only permitted fire option.

Electrical

- All electrical service connections between the Port Authority electrical outlets and the vessel, and all electrical equipment on board must conform to applicable electrical codes. **Please see the office if you are unsure of the codes.**
- Extension cords must be a minimum of 12 gauge if the cord is 75 feet or less and 10 gauge for cords longer than 75 feet.
- The Port Authority does not guarantee the continuity of utility services specifically with regard to electrical service and does not guarantee vessel or RV compatibility with the electrical circuit protector

Sanitation & Water Use

No washing of boats, vehicles, or RV's is permitted on site in efforts to conserve water.

- China Creek Campground is on a well water system. During severe dry weather, we must limit the water output.
- There are two sani-dump stations in the park.
- RV campers must use biodegradable chemicals in their holding tanks and use air tight sani-hose connectors
- No person shall discharge sewage into water or on land
- No dish washing, fish cleaning, or cooking permitted in the washroom or laundry room buildings
- We recommend filling your holding tank for use during shortages or drought

Launching

- Recreational launching at China Creek is only available for registered campers
- Seasonal Moorage includes launching at China Creek. User must provide owners name and moorage slip to the launch ramp attendant. Otherwise, launching fees apply for single use.
- Launching is on a first come first served basis.
- No powering onto trailers

Boat Camping

- No person is permitted to use his or her vessel as a residence
- Boat camping must be reserved through the campground office; fees apply. Boat camping is only allowed up to a maximum of 2 weeks unless approved by the Manager of Campground & Marina Facilities.

Moorage

- Moorage Agreements and proof of insurance are required for all moorage
- Berths are assigned to vessels based on length, which includes swim grids, motors, etc.
- Moorage is calculated on the length overall (LOA) of the vessel or the moorage slip, whichever is greater
- Seasonal Moorage includes parking for one vehicle and trailer and dryland storage (Oct 1 – Mar 31)
- Guests wishing to cancel their moorage are to provide the request in writing

Reassignment of Camping and Berth

- Seasonal campsites and moorage berths are non transferable.
- Any change of ownership of the vessel must be reported to the Port Authority
- Vessel berths are not included in the sale of a vessel.
- Owners are to notify the Marina Coordinator if vacating berth for a period longer than three (3) days so that the berth may be temporarily re-assigned.
- Re-assignment of berths will be solely the responsibility of the Marina Coordinator. The Port Authority will retain moorage fees from berth re-assignment

Wildlife – Be mindful that you are in bear, cougar, and wolf territory.
