

RV, Boat & Storage Policy

The storage season operates from October 1st to Mar 31st. **Storage fees are due September 30th and must be paid in full for six (6) months.** Storage rental is non-refundable.

RV and Boat Storage

- All RV's, boats and boat trailers stored in the designated storage area must have valid insurance and proof of insurance must be provided prior to storage of unit
- All RV's and boats stored in the designated storage area will be subject to fees
- All RV's and boats must visibly display the unit number assigned to them and the movement of any unit must first be authorized by the Port Authority
- Seasonal Moorage includes onsite boat storage with no additional fees and can park in the campsite storage

Storage Standards

Our storage and site standards have been established to preserve the natural grounds of the park, facilitate site maintenance as required and maintain standards in appearance.

- Storage in campsites must be covered and secured by September 30th.
- All items in storage must be secured and/or tied down by a tarp and stored away from electrical boxes and water or sewer lines as much as possible to facilitate required maintenance
- The Port Authority will dispose of items not removed from storage, sites or left outside of secured tarp and a minimum \$250 clean-up fee plus additional disposal fees will be at the expense of the site/storage holder. Additionally, privilege to renew seasonal camping or storage the following year may be revoked.
- Selected sites are not available for storage, please inquire at the office.

Hydro

- Electrical usage will be metered and rates are charged based on posted marina rates
- In order to ensure maximum safety for all concerned, the only approved heating/fan units are oil filled portable units with a maximum electrical draw of 15 amps
- Power cords must be proper exterior use cables, suitable for the length and electrical needs of each unit
- All units must plug directly into the facility electrical supply. No "daisy chaining" of electrical connections is permissible

Guests who choose to have an individual, other than them check on their unit must fill out and sign the “access authorization” schedule attached.

Tenants and designates checking on units/boats must identify themselves to staff member upon arrival at the marina. Failure to do so may result in eviction.

Guests who fail to pay any costs will be denied access to their units until the amount owing is paid in full.

There will be no storage of flammables, fuels, guns/ammunition, paints, explosives, animals, or perishables. Guests store at their own risk: money, securities, jewellery, paintings, and other high-risk valuables.

Guests storing RV units and/or boats on the facility accept the privileges with the understanding that they hereby release the Port Alberni Port Authority, its staff, its officers, and directors, of all liability for loss or damage to property, person and or injury to their person arising from the use of the facility.

The guest further agrees to indemnify Port Alberni Port Authority, its staff, officers, and directors against claims resulting from loss or damage to property, person, or injury to the person or any member of the family or access designate of the registered camper arising from the use of the facility.

Any and all emergencies must be reported to the Port Alberni Port Authority.
