

China Creek Campground & Marina User Rules and Policies

The Marina Attendants, Marina Coordinator and the Manager Marina Services will enforce the Campground Rules and Policies. Warning tickets will be issued for violations of the user policies and rules. Aggressive misconduct or more than three violations of the same nature will result in eviction from the campground and/or marina.

Camping & Moorage Registration

- Nightly reservations require a non-refundable, non-transferable \$50 deposit per site at the time of booking
- Seasonal reservations require a non-refundable, non-transferable \$100 deposit by September 30th.
- All moorage & camping fees must be paid in full at the time of check in, deposits are applied to fees
- Check in time is after 1pm and Check out is 11am
- Each campsite is allowed two tents or units, or combination; extra fees apply for additional

Camper Etiquette

- Speed limit in the park is 10 km per hour. Please drive with caution at all times in the park
- Children must be supervised at all times
- Please respect your neighbors; our quiet time is 10:30 PM
- Generators can be operated from 7am to 10pm and should not be left running for extended periods
- Alcoholic beverages, cannabis and cigarettes are only allowed in your campsite
- Public drunkenness, disorderly conduct, foul language or verbal abuse will not be tolerated
- Un-licensed motor vehicles or ATV's are not permitted in the park
- No skateboards, rollerblades, scooters or bikes are permitted on the marina floats or the launch ramps
- Cutting of trees or vegetation and alteration of site or park grounds is not permitted

Pets All pet owners must sign our China Creek Campground Pet Pledge

- Dogs must be on a leash and under the care and control of a competent individual at all times; including beach
- Dogs are not allowed on the marina floats other than to or from your boat
- Please use "Doggie Doo" stations and clean up after your pets immediately
- Pets are not to be left unattended at sites
- No aggressive dogs allowed. Dogs will have to leave if displaying aggressive behavior or excessive barking

Campfires - Due to strong winds at China Creek Campground, fires are permitted in the Cookhouse or designated fire pits only. Please adhere to Fire Smart practices posted at the Cookhouse. Propane Fire Pit rentals are available at the office and are encouraged as a safer alternative to open fires. During a fire ban, the Propane Fire Pits will be the only permitted fire option.

Parking

- All vehicles and trailers must register at the office and display valid parking permits
- Each campsite is allowed two vehicles or boat trailers, or combination, parked within the boundaries of campsite
- Additional vehicles and/or trailers must be parked in parking lot and are subject to nightly parking fees
- Any vehicle not displaying permit(s), parked outside of designated parking areas or in disabled parking spots without a displayed sign will be towed at the owner's expense

Sanitation & Water Use

- There are two sani-dump stations in the park.
- RV campers must use biodegradable chemicals in their holding tanks and use air tight sani-hose connectors
- No person shall discharge sewage into water or on land
- No dish washing, fish cleaning, or cooking permitted in the washroom or laundry room buildings
- Due to water shortages, no washing of boats, vehicles or RV's is permitted

Wildlife Be mindful that you are in bear, cougar and wolf territory. Adhere to wildlife notices.

- Keep a close eye on children and small pets at all times
- Do not feed wildlife. Any food or coolers must be stored inside a vehicle or RV or will be removed from the site
- Do not leave dirty dishes and used cooking utensils outside after use
- Secure all outdoor freezers and refrigerator units with a pad lock or tie down straps at all times
- Store all prawn, crab traps, and bait inside a vehicle, RV, or on a moored vessel
- Place all food waste garbage in a tied off plastic bag before placing in the dumpsters
- No rummaging in garbage dumpsters for cans or bottles
- Use of live traps, bear bangers, or pyrotechnic devices designed to ward off wildlife is not permitted
- **If you encounter wildlife, keep a safe distance**

Report wildlife concerns to [BC Conservation at 1-877-952-7277](tel:1-877-952-7277) and the Campground Office 250-723-9812

Launching

- Seasonal Moorage includes launching at Clutesi Haven and China Creek. Must provide owners name and moorage slip to the launch ramp attendant. Otherwise, launching fees apply for single use.
- Launching is on a first come first served basis. No powering onto trailers

Boat Camping

- No person is permitted to use his or her vessel as a residence
- Boat camping must be approved and reported to the Marina Coordinator; fees apply

Moorage

- Moorage Agreements and proof of insurance is required for all moorage
- Berths are assigned to vessels based on length, which includes swim grids, motors, etc.
- Moorage is calculated on the length overall (LOA) of the vessel or the moorage slip, whichever is greater
- Seasonal Moorage includes parking for one vehicle and trailer and dryland storage (Oct 1 – Mar 31)
- Guests wishing to cancel their moorage are to provide the request in writing

Fueling Day to day storage of fuel in transportable containers is not permitted within the campground or marina

Electrical

- All electrical service connections between the Port Authority electrical outlets and the vessel, and all electrical equipment on board must conform to applicable electrical codes.
- Extension cords must be a minimum of 12 gauge if the cord is 75 feet or less and 10 gauge for cords longer than 75 feet.
- The Port Authority does not guarantee the continuity of utility services to a vessel, and specifically with regard to electrical service, does not guarantee the continuity or characteristics of such service and its compatibility with the vessel electrical circuit protector if any

Reassignment of Berth

- Any change of ownership of the vessel must be reported to the Port Authority
- Vessel berths are not included in the sale of a vessel unless sold to an immediate relative (i.e., son, daughter, or spouse only).
- Should the Owner of a vessel decease, the vessel's berth may be passed on to an immediate relative (i.e. son, daughter, or spouse only) and said relative must be owner of the vessel. If berth is not utilized by an immediate relative, the boat must be removed and berth reassigned by the Port Authority
- Owners are to notify the Marina Coordinator if vacating berth for a period longer than three (3) days so that the berth may be temporarily re-assigned.
- Re-assignment of berths will be solely the responsibility of the Marina Coordinator. The Port Authority will retain moorage fees from berth re-assignment
