China Creek Campground is Pet Friendly

In order to ensure that all guests, including your humans, enjoy themselves at China Creek Campground and Marina, please review these best practices with your human and have them sign our Pet Pledge, on your behalf:

- I LOVE China Creek Campground and look forward to visiting every year, so I my human will stay attached to me by holding my leash at all times; even on the beach. This is to be sure that neither I or my human doesn't get lost, frighten people, other pets or chase wildlife
- I noticed there are "Doggy Doo" stations located throughout the park; if I need to do my doggy doo doo, I will have my human clean up after me right away and dispose of it in the nearest garbage can
- I LOVE boat rides but the docks are really narrow and often have other humans and pets on them. So, I will make sure my human is attached to me by the other end of my leash when going to and from the boat. Of course, my human needs to be with me at all time on the docks, too (they can get so distracted by other humans and fish!)
- I LOVE to go camping and get really tired with all the fun activities at China Creek Campground. I know other dogs and humans do, too! So I will make sure that I don't bark excessively or disturb other pets or people who also love to go camping.
- Sometimes my human gets scared and lonely when left alone. Sometimes I do, too. So, I will be sure that my human won't ever leave me alone.

I confirm that I have read and understand the above and I will take the China Creek Campground Pet Pledge and will adhere to the Campground & Marina User Rules and Policies:
